SCHOLARSHIPS!

A good education is the cornerstone of any successful career. A successful career makes a big difference in enhancing one's quality of life. Therefore, it is with great pleasure that we announce the establishment of the Dr. Harold Henry Scholarship. The first scholarship will be awarded for the 2007 Fall school year. More details about the scholarship, including application details, will be available on our website in the coming weeks. This is a great time to share the benefits of credit union membership with your kids who could benefit from this new scholarship.

Help Get the Word Out!

Piedmont Credit Union has a limited membership but the limits are expanding all the time. Starting this Winter two new Employee Groups will start to share the benefits of credit union membership. Sylvan Learning Center and Life Changes EAP employees may now join PCU. It is remarkably easy for an employer to offer Piedmont Credit Union to its employees. In fact it is a completely free benefit! If you know of someone who cannot join but would like to, just let us know, and help put them in contact with us. Tell them to ask about how their employer can get on board with Piedmont Credit Union too!

Safe Deposit Boxes!

Now you can have peace of mind when it comes to your important documents. PCU Safe Deposit Boxes are housed within our Piney Forest Vault. So you can rest assured that your items will be safe. Call or visit us for details!

Congratulations!

To Tia Yancey who was the winner of our NFL Football Tickets Contest and got to go see the Panthers take on the Steelers last month!

More contests to come in 2007 so keep reading your newsletter and visiting our website!
